Under the circumstances reported by the Conservator of Forests, his recommendation to grant an area of 7 acres and 20 guntas actually brought under cultivation by the applicant as an Forest Settlement plot may kindly be approved and the orders of Government may kindly be obtained and communicated to me early.

Letter Subject:-Grant of land on Haugami Lagan.

No.22/28/ 336 of 1957-58.
Belgaum, 15 May, 1957.

To

The Chief Conservator of Forests
in Mysore, Bangalore.

An area of 10 acres from F.S.No.157 of Doni in Shirhatti Range is, it is reported being cultivated by Shri.Mallikarjunayya Siddayya Gudded of ~~mf~~ Ravalgeri Math prior to the transfer of forests of Doni which were in charge of the Revenue Department. On taking over forests from the Revenue Department, a separate independent Round viz., Doni Round has been formed and it appears that the recovery of assessment @ the rate of Rs.10/- per annum has been continued upto 1956-57.

2. There is no record to show that the area was granted to the applicant by this Department. The applicant Shri.Mallayya Mallikarjunayya says that the above area has been transferred in 1953 in his name being the lessee's son. From the Range Forest Officer's report at page 27, it can be seen that the applicant Shri.Mallayya has brought an area of 7 acres 20 gunthas only under cultivation. It is reported that the applicant has constructed stone bunds round the area and kacha bunds in the area. For this improvement, it is reported that the applicant might have spent an amount of Rs.2000/-.

3. Since the area is in the heart of the unorganised forest, I am not in favour of disforestment of the area in favour of cultivation. However since the applicant has brought the area under cultivation after spending a large

amount, it may be granted to him as an Inforest settlement plot. Government may therefore be moved to approve of the above recommendation.

The case papers - pages 1 to 85 - on the subject are sent herewith.

N. S. Kaikini.

No.C/11/ 1233 of 58/59. Dharwar, 17-10-1958.

Subject: Grant of land on Hangami Lagan.

Ref: Your No.22/28/11810 of 23-10-1958.

Government in their No.AFD 322 DST 57 dated 9-9-1958 have ordered to convert the Hangami Lagan plot of 7 acres 20 gunthas out of F.S.No.157 of Doni. It was reported under this office No.C/11/H.L./2346 dated 22-2-1957 that the area in questio falls in Sy.No.157 of Doni. The rough sketch submitted under this office No.C/11/H.L./93 of 11/12-4-1957 was prepared on the strength of rough measurement. But on actual measurement of the plot by this office Surveyor, it is found that the plot in question comes partly in Sy.No.157 and partly in Sy.No.156 of Don-i. The area of the part coming in Sy.No.157 is 3 Acres 16 Gunthas and that of the part coming in Sy.No.156 is 4 Acres 4 Gunthas. A correct sketch now drawn by the Surveyor after actual measurement of the area is enclosed herewith.

2. Orders are solicited whether the agreement should be got executed from the lessee according to the sketch now prepared after actual measurement.
